

About Us

THE SEA MARINE PRODUCTS SDN BHD is a Malaysian seafood company dedicated to delivering premium, traceable and export-ready seafood products to global markets.

With an integrated operation covering aquaculture, processing and distribution, we ensure consistent quality, food safety and reliability in every product we supply. Our commitment to excellence has earned the trust of customers across retail, food service and wholesale sectors.

Our Company

Who We Are

THE SEA MARINE PRODUCTS SDN BHD is a Malaysian seafood company established to deliver high-quality, traceable and export-ready seafood products to both domestic and international markets.

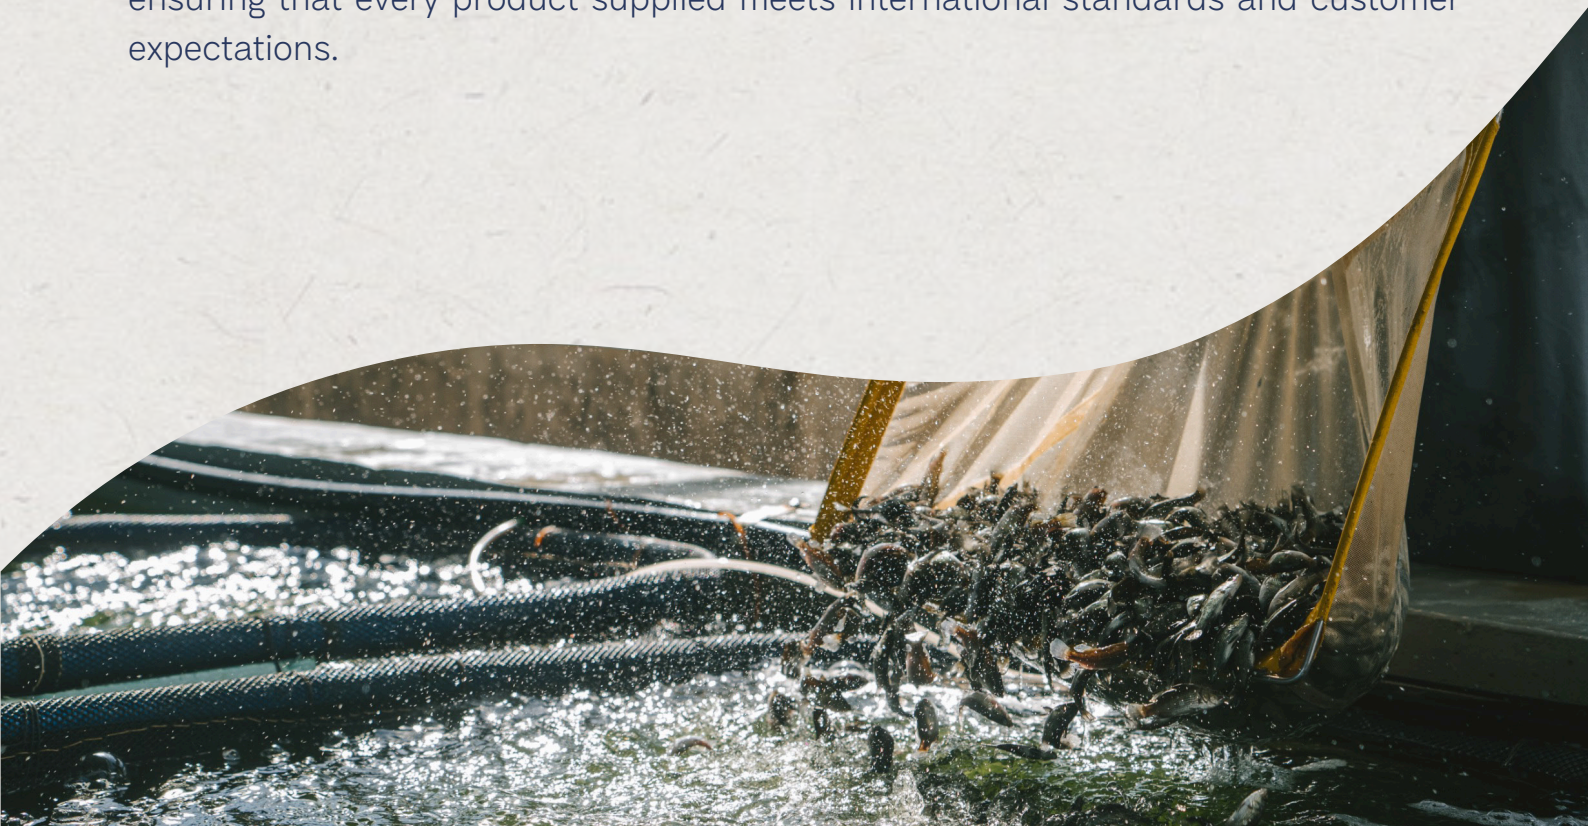

Founded by industry professionals with over 30 years of combined experience in the seafood and aquaculture sector, the company is built on strong industry knowledge, operational expertise and a deep understanding of global market requirements.

What We Do

Our integrated operations cover aquaculture sourcing, processing and distribution, allowing us to maintain strict quality control and full traceability from farm to freezer.

Our Commitment

We are committed to food safety, consistent quality and long-term partnerships, ensuring that every product supplied meets international standards and customer expectations.

BLACK TIGER PRAWN

Black Tiger Prawn (*Penaeus monodon*) is known for its firm texture, bold flavor and distinctive striped shell. It is widely regarded as a premium prawn suitable for a variety of culinary applications.

Our Black Tiger Prawns are carefully selected and processed to preserve freshness, natural taste and size consistency, making them ideal for both retail and food service markets.
